

Request to deposit in Re.Public@polimi*

Dear [insert name of publisher's rights manager or similar],

My institution, **Politecnico di Milano** (<http://www.polimi.it/>), has launched its Institutional Policy on Open Access on October 1, 2014.

I am a contributing author to one of your journals and I am contacting you to inform that this policy gives to Politecnico di Milano the permission to deposit the full text of the following article in the University's institutional repository Re.Public@polimi:

(authors names)

(article title)

(journal name)

(date)

(volume or number)

(pages)

Re.Public is a not-for-profit service for our academic authors, providing access to the full-text of their publications. Full bibliographic details are given for each article, including the journal of original publication, etc.

I would be grateful if you could contact me to give your permission for including this article and to pass on any conditions that are associated. If it would be possible to use the published pdf version of the article for this purpose, then please confirm this.

Thank you for your attention with this and I look forward to hearing from you.
